

UNDERGRADUATE EDUCATION POLICY COMMITTEE

Resolution to Recommend Approval of the RME to Change the Name of the Fire Science Management Degree Program to Fire Service Management

WHEREAS the B.S. degree program in Fire Science Management in the College of Applied Sciences and Arts is designed specifically for off-campus students with associate degrees in fire science-related fields to gain practical coursework in the areas of management and supervision for fire service professionals; and

WHEREAS Fire Science has long been associated with the community colleges and the technical training that they provide to the student seeking certification in the career field; and

WHEREAS Fire Service encompasses all aspects of the career, including educational requirements necessary for professional advancement; and

WHEREAS a name changes has been advocated by students, faculty, and the advisory committee for the Fire Science Management degree program at SIUC;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME to change the name of the Fire Science Management Degree Program to Fire Service Management.
