

**PROGRAM ARTICULATION AGREEMENT**  
BETWEEN  
**JOHN A. LOGAN COLLEGE**  
AND  
**SOUTHERN ILLINOIS UNIVERSITY CARBONDALE**

In an effort to provide a continued, articulated higher education baccalaureate degree program that will build on community college and university learning experiences, and also eliminate duplication of instruction, this agreement is set forth between John A. Logan College and the Board of Trustees of Southern Illinois University on behalf of Southern Illinois University Carbondale (SIUC).

1. All graduates of John A. Logan College with the major listed below and meeting SIUC entrance requirements will be granted admission, based on space availability, into SIUC's Bachelor of Science (B.S.) degree in Electronics Management-Electronics Technology Specialization program in the College of Applied Sciences and Arts.

a. AAS in Electronics Technology

2. A John A. Logan College graduate receiving an AAS degree in the major listed above will be accepted for the Capstone Option and admission to SIUC's Electronics Management program if the following are met:

- (a) admission to the university
- (b) a minimum of 60 transferable hours to SIUC
- (c) an overall grade point average (GPA) of 2.25 or above (4.0 scale) on all accredited work received prior to the awarding of the AAS degree as calculated by SIUC's grading regulations
- (d) the completion of at least 12 semester hours of transferable University Core Curriculum (general education) credit at John A. Logan College.

Acceptance into the Capstone option guarantees the AAS degree recipient in the program listed above at John A. Logan College completion of the Electronics Management baccalaureate degree with a total of no more than 60 semester hours of work at SIUC. John A. Logan College students must complete the SIUC Capstone application (in addition to the SIUC undergraduate admissions application) to be admitted to this Option.

3. John A. Logan College graduates receiving an AAS degree with a minimum of 60 transferable hours to SIUC in one of the two above listed programs with less than a 2.25 overall GPA, but with an overall GPA of 2.0 to 2.24 (on all accredited work received prior to the awarding of the AAS degree using SIUC's grading regulations) will be eligible for admission based on space availability to the non-capstone option in Electronics Management at SIUC. These students may require more than 60 semester hours to complete their Electronics Management Bachelor of Science degree.

4. John A. Logan College students transferring to the Electronics Management baccalaureate degree program at SIUC who have not completed all of their Associate of Applied Science Degree requirements at John A. Logan College will have their related coursework evaluated on a course-by-course basis by the appropriate SIUC

program.

- 5.** Students will be required to complete 60 senior institution hours and at least 120 hours with an overall GPA of 2.0 to receive a Bachelor of Science degree in Electronics Management at SIUC. Coursework may include University Core Curriculum as well as Electronics Management at SIUC major courses.
- 6.** An SIUC Electronics Management representative will communicate periodically with John A. Logan College personnel in the program area listed above for general advisement and degree planning purposes.
- 7.** Upon successful completion of all degree requirements, and following all policies and regulations stated in the program and university guidelines, John A. Logan College students will be eligible to receive the Bachelor of Science degree in Electronics Management, College of Applied Sciences and Arts, Southern Illinois University, Carbondale.
- 8.** Should changes occur in course or program content, the school making the change agrees to notify the other school in writing so that this agreement can be re-evaluated. Notice of changes shall be given at least 45 days prior to the beginning of the semester when the change is implemented.
